EVERYTHING TO KNOW!

What is Camp Epic Lates?

Camp Epic Lates is a combination of your traditional after school clubs and wraparound care with an Epic Twist, where the children still come to the same Ofsted Registered safe environment, but instead of just sitting colouring there are structured activities to go to, whether that is after school football club, our MasterChef cooking club or Mad Scientist clubs.

Move. Create. Play

At Camp Epic, we want to create a place where children want to come, not need to come.

So we created Move. Create. Play. A simple philosophy where there are always 3 options at Camp

Move - Led by our Prosports Coach, there will be a range of sports and games for running around.

Create - Led by our Camp Creators, these range from arts and crafts, cooking, growing club and anything else we can think of

Play - We also have a play area, which is set up for independent play, with things like colouring, Lego and other independent activities.

How does it work?
