

Dear candidate,

Thank you for your interest in our school, XP.

We are extremely excited to be part of the team that will create a truly world-class school in the UK, based on the practice of High Tech High and Expeditionary Learning.

We are pouring our hearts, minds and soul into our school to achieve this, and you will need to do this too. It will not be an easy ride, or satisfy a change of scenery. It will be a pioneering opportunity to create a curriculum and environment that will prepare our children to be successful in the modern world.

To be successful in your application, you will need to demonstrate your passion to be part of our vision alongside your capacity and capability to deliver your part of our cross-subject curriculum and the pastoral system to support this.

The recruitment process is made up of:

- A standard application form
- A covering letter explaining why you want to be part of XP and what you will bring.
- If long-listed, a presentation of your wider portfolio
- If short-listed, a formal interview

The deadline for the application and covering letter is 12 noon, Friday 24th January 2014

We will run presentations on 5th and 6th February 2014

Formal interviews will be on 13th February 2014

We are looking for a balance and blend of candidates that will have varying levels of experience and capability to build a team that is affordable within our budget. Our flat management structure will incorporate teachers with experience ranging from Deputy or Ex-Headship through to NQT status, with successful applicants performing the various roles needed to make our school successful.

We are rolling out our school over 7 years, starting with two classes in Year 7, and we will be recruiting new teachers every year as our school expands. We will be using the process above to identify potential candidates for future years, so please be mindful of this if you are not successful this year.

Please visit our website xpschool.org for further information and resources for applicants.

I wish you the best of luck and look forward to receiving your application!

Best regards,

Gwyn ap Harri
Chair of Governors
XP.
