

# Student-Led Conferences

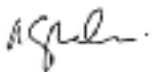

As you know at XP we are committed to students becoming leaders of their own learning and we believe that students, wherever possible, should be given the opportunity to present and share their learning. Therefore, in the **fortnight beginning 16th January**, every student will be hosting their next SLC (Student-Led Conference) where they will discuss progress in their learning with you, their Crew Leader and other invited guests.

Your role in this process is crucial in supporting the learning of your son or daughter. **Crew Leaders will be contacting you** to organise an appointment time for the conference. We are immensely proud of the fact that we have a record of 100% parental attendance at our students' conferences. As always we are very appreciative of the time that you give to encourage, support and recognise the progress in learning that has been made by your son or daughter in their first term at XP this year.

We look forward to seeing you at your son or daughter's conference.

Yours sincerely

Andrew Sprakes

Principal
