Crew Blessed Superstar:

Mollie W!

For 6 praise points this week alone, and always working hard, getting smart and being kind in every session.

Keep it up, Mollie!

Crew Pankhurst Superstar:

Rebecca Sprakes AND Lily Turner!

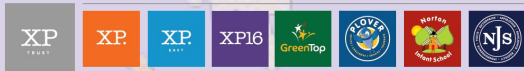

For the most praise points, but also showing all of our character traits ALL the time!

Crew Kahlo Superstar:

Olivia

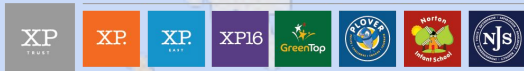

Really impressed with your attitude to school lately - you have been trying really hard (in session and at home doing extra work) and it hasn't gone unnoticed!

Crew Thunberg Superstar:

Charlotte Dunne!

For having an amazing attitude
in school and quietly
completing all work - whilst
having great HoWLs, too!

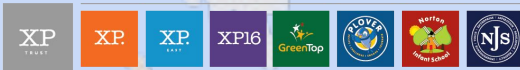

Crew Rowing Superstar:

Lilly Baser

For splitting her time between the character traits and HoWLs room and the LOOL space. You came out of your comfort zone and showed great courage speaking to the people who came to these areas. I heard some lovely comments about you!

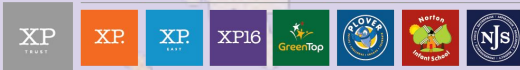

Well done!

Mrs BARNES

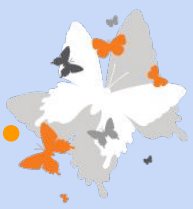

Crew Frank Superstar:

Miss Olivia Shaw for her fantastic work last night at the open evening!

Roadmap to Success (and cake!)

XP.

Congratulations to **Crew Rowling** - Thomas W's Roadmap to GCSE Success has been selected as the winner of XP East's Crew Cake!

We love the level of detail in this plan, which highlights the importance of revision, HOWLs and taking some time out for a bit of self care.

Miss Cocliff will be taking your order for your cake topping ready for next term (and Mrs Parker will come help you eat it!)
