XP. Independent Music Service

Instrumental & Vocal Music Lessons

Dear Parent/Carer,

We are delighted to announce that we will be introducing our own independent music provision for instrumental and vocal lessons within school. We will continue to offer a full range of instrument options including **brass, woodwind, strings, guitar/ukulele, piano/keyboard, drums & singing**. Lessons will be taught by world class, inspiring musicians and will be offered at a competitive price to the students.

We look to schedule lessons that best suit the students and where possible avoid certain subjects being missed on a regular basis. We work to make the timetable for music lessons have the least impact on students in terms of missing time from expedition lessons. This could mean that your son/daughter's lesson may be any time between 8:00am and 4:30pm.

Please advise your child to check the Music Notice Board (near P15) or speak to Mr Robins for their specific times.

We ask for a minimum contribution from parents towards the cost of the lessons. Students on Free School Meals will have their lessons paid for and will be allocated into a Group lesson. Students in Year 10 or Year 11 who have chosen to do Music for their 'Leading Our Own Learning' option subject will receive an individual lesson funded by school to support their completion of the level 2 qualification.

We will be operating a term by term system where students will receive approximately 10 lessons per term. Invoices will be added to ParentPay during the first week of a term (September, January or April) and payment must be made by the following half term. If payment is not received by each half term holiday then lessons will be stopped for the following term until any outstanding amounts are settled.

If a student no longer wishes to continue with lessons, an email must be sent to Mr Robins or the school office at least half a term in advance. **If we have not received suitable notice then the following terms' lessons will still need paying for in full** as we have to secure the visiting teachers time in advance.
