- E26: I can't wait to share all the wonderful praises from staff with you in Wednesday's committee meeting; we've got loads to get through! I'm blown away with how well you are all doing! Mrs P x
- Special shout out to Cerrina for consistently working hard and taking responsibility for your own learning. You are going to smash your exams! Mrs P x
- We're also really impressed to see so many of you creating your own revision resources, doing extra work at home, and asking for feedback from staff. The hard work you're putting in now will definitely pay off once GCSEs start!
- A great big shout out to Hubert, Rebecca S, Liam WW & Nida - Thank you for consistently demonstrating Craftsmanship & Quality across all subjects! Miss C x
