

# C26 Community Meeting

17th January 2024

# Key Messages:

- **Whole school community meetings** - please DO NOT sit having your own conversations. You're our role models - you must sit and listen to everyone using their voices, and contribute positively!
- **Crew Rooms** - If crew leaders are off/work part time, please make sure you go to the crew room you're **told to**. It causes a safeguarding issue when you choose where you want to go and we don't know if you're here or not!
- **PE Norms and Expectations:**
  - You must bring a PE kit to **change into**
  - You must tie long hair back and remove all jewelry
  - You must not take pictures in the changing rooms
  - You must keep mobile phones in your bags (at all times, not just during PE!)
  - Participate and enjoy!!

# Looking after yourself:

XP.  
TRUST

- Make time for things you enjoy
- Talk to others about how you feel
- Try to find balance
- Take care of your physical health
- Focus on yourself

# This Week's praises...

Robert,

Thank you for emailing Miss Askin  
when a year 7 student wasn't  
feeling well. So kind and thoughtful.

Josh AG

I love seeing your photos about weekends and holidays. You are a very busy young man and always striving to learn new skills. Most adults would struggle to manage their time as efficiently as you do.

Well done!

You are so often the voice of reason! You don't talk over people and think carefully about what you are going to say.

Miss Cross

Zach,

An appreciation for showing lots of motivation with your revision during morning crew sessions! Well done!
