Y11 Art Students in on Staff Days

On Friday 8th March we have a Staff day planned. This means that year 11 students will miss their usual 2 hour GCSE Art session where they would be completing important preparation work for their upcoming exam.

In order to minimise the time lost and to allow students to prepare fully for their exam piece, we are asking that

- **XP East students attend school on Friday 8th March from 9am-11am.**
- **XP students attend school on Friday 8th March from 11am-1am.**

They will work in their normal Art classroom with their teacher, Miss Taylor or Mr. Doyle.
