Head Teacher: Mr. A.S. Watson BSc (Hons) MA NPQH

19<sup>th</sup> November 2015

Dear Parents/Carers,

As you may have noticed we are busy putting a lot of new play & fitness equipment in the yard for the children. When in use all children will be supervised on this equipment during the day.

When you are picking your child up in the “waiting time” before they come out of class, any child or sibling playing on this equipment is **your** responsibility if you allow them to do so.

All equipment is designed and installed by experts and meets all “risk assessments” in everyday use but the school cannot be responsible for other children (or adults) playing on this equipment.

**N.B.** The new school Gym at the bottom of the yard is never to be used at any time by children or parents as adults using this equipment must be trained to do so by “Play Fitness” the manufacturer.

Yours Sincerely

Mr AS Watson

Head Teacher
