Dear Mrs Hughes

I thought I would write to you to say how pleased I was to hear that following its recent inspection St Edmund's Catholic Academy has been judged to be a 'Good' school. Please accept congratulations from me on behalf of the City of Wolverhampton Council. I would also be grateful if you would pass on my best wishes to all staff and the Governing Body for their hard work and the difference that their contributions are making in improving children's lives.

The fact that inspectors report that 'The leadership team has maintained the good quality of education in the academy since the last inspection is a cause for celebration as is the fact that inspectors report that your leadership is clear-sighted and organised and you are supported by a capable senior team and informed academy representatives (governors).

Once again congratulations to all involved at St Edmund's. I look forward to hearing about the school's further work and wish you every success for the future.

Yours sincerely
