## School Gateway

We offer a service called 'School Gateway', which allows us to share information with you more quickly via email, text, online and smartphone app. It will also save you - and the Academy - time and money. You will be able to do the following for your child(ren):

- View achievements
- View your contact details and inform us of any changes
- View behaviour incidents
- View current assessment results
- Monitor attendance and inform us of unexplained/future absences
- Access Academy details and link to our website
- View timetable

All you need to do now is activate your School Gateway account! It's quick and easy to do. All you need are your email address and mobile number that the Academy holds on record for you.

- Visit the website: [www.schoolgateway.com](http://www.schoolgateway.com) and click on 'New User'. Enter your email address and mobile phone number. You'll receive a text message with a PIN number. Use this PIN to log into School Gateway.

OR

- Download the app: If you have a smartphone or tablet, please download School Gateway from your app store (Android and iOS).

The app shows the same information as the website PLUS you can message the school for FREE – this will also save the Academy money as we can send you a notification instead of an SMS text message.

If you're having trouble logging in, it may be because the Academy doesn't have your current email and/or mobile phone number on record. Please email the Academy at [enquires@stedmunds.org](mailto:enquires@stedmunds.org) and we'll update the details on our system, and let you know when this has been done. We hope that you will find School Gateway a great way to keep up to date with what's going on at the Academy.
