## Technology

Food Glorious

Food!

- healthy

- choices

- healthy

- snacks

## English

Our main texts this half term will be Snow White in New York, and The Crow's Tale.

We will be learning to:

- Innovate a known text to write a fictional story.
- Write a full set of instructions.
- Write a wide range of fully demarcated sentences, including command and exclamation sentences.
- Use paragraphs in our writing
- Organise our writing into paragraphs.
- Write speech sentences using inverted commas and a variety of rich vocabulary
- Use prepositions and adverbs to express time and place
- Evaluate and edit our own written work, and that of our peers

## Maths

This term we will be learning to:

- Mentally multiply 2 digits by 1 digit, using the tables they know
- Mentally divide using tables they know
- Recall multiplication and division facts for 3x, 4x and 8x
- Begin to formally multiply 2 digits by 1 digit, using the tables they know
- Solve problems using all four operations, using number facts, place value and more complex calculations
- Measure the perimeter of
