| Music | Charanga Music | |
| Geography | Europe - Places, features and people. Locational knowledge, place knowledge & geographical skills | |

This year, due to the virus, communication between home and school will be a little different to normal. Most communications will be done electronically. We advise that you check the school website regularly for up-to-date information.

Games will take place on a Monday afternoon - children are asked to come to school dressed in appropriate Games kit in the morning. This should include outdoor trainers, jogging bottoms/leggings, a t-shirt (no crop tops or vests) and long-sleeved top/hoodie. Please keep in mind that as Winter approaches, children will need warm sweatshirts, hoodies or coats which are suitable according to the weather.

Homework is under review at the moment, so keep checking the website for updates. Children are more than welcome to continue to access Lexia, Purple Mash, Education City and Mathletics.

We hope this gives you sufficient insight into your child's learning for Autumn 2020. Please get in touch if you have any queries.

Miss Leonard and Mr Rich.
