9 October 2020

Dear Year 6 students

I hope that this letter finds you well and settling back into school life. Although these times continue to be unusual, I hope that you take comfort in seeing your friends and doing the things that you enjoy at school. At Boldon we are enjoying seeing our students and have welcomed their return to learning.

At the moment, I am sure that you are thinking of your future; preparing for your upcoming SATs and deciding which secondary school you want to go to. Many important decisions for you and your families to make and lots of hard work ahead.

We are really disappointed at Boldon that we can't host our annual Year 6 Open Evening. It is usually packed with information and fun events from all of the faculties. We always get excellent feedback and our staff and students really enjoy showcasing all we have to offer here at Boldon. Our event is usually attended by hundreds of Year 6 students and their families. Due to this we really don't want you to miss out on seeing what we have to offer at Boldon and, although we sadly can't meet you in person, we would like you to experience our school.

To help you with your decision of whether Boldon School is the future for you, my team of staff have created a Virtual Open Evening for you to enjoy. There are introductions from some key staff in our school, a virtual tour and also lots of information from each of our faculties. We don't want you to have to remember everything straight away, so you can visit our website anytime to look at the information again.

I have an invitation for you all to join us on Wednesday 14 October 2020 from 6.00pm. Be the first to experience life at Boldon, whether it is with your family or at school.

If you have any questions or queries, please email OpenEvening@boldonschool.org.uk

Yours sincerely
