Dates For Your Diary

Christmas Break - School closes on Friday 18th December
- School reopens on Monday 4th January 2021

COVID Update

We currently have 3 classes out in self isolation. The two Reception classes and Miss Stratford's Y1 class. We have had a number of both adults and children getting tested this week, thankfully most test results have been negative.

As soon as we are made aware of a positive result, we will contact you directly to inform you, if this affects your child. Unfortunately, we do not always receive the results prior to the school day, so this may happen when your child is already in class.

When we send children home to self isolate, we do so following the advice of Public Health. We appreciate that this is a challenging time and appreciate your support on this.

Should we be made aware of a test taken during the weekend, Mrs Todd will still inform you when the test result returns, if positive, whenever that is.

Anyone needing to inform us over the weekend or after 4pm, of any of the above, please contact Mrs Todd at any time at -

We would ask everyone to follow the Tier 3 rules which are now in South Tyneside and other parts of the North East.

We appreciate your support at this very challenging time for us all.

Christmas Dinner

The children may wear Christmas jumpers on the day of their Christmas dinner next week, if they want to.

Tuesday 8th December - Mr Milner's Class & Y2

Wednesday 9th December - Y3 - 6

The children can also wear their Christmas jumpers, if they wish to, for their Christmas fun afternoon. The teachers will give information out about this nearer the time.

Extra Support

If you feel that you need any additional support at this difficult time, with food parcels, emotional support or advice about your child during this crisis, please contact us at school. **Do not be afraid to ask for help.**

We are here to help and have many different places we can signpost you to, if we aren't able to support you directly.

Achievements

We know that things are very 'quiet' on the clubs and activities front at the minute, but if your child has achieved something special outside of school, then why not let us know about it?

We look forward to hearing from you!
