

<p>CHINA</p> 	<p><u>Home Learning</u></p> <p>If we had been in school this week it would have been</p> <p>INTERNATIONAL WEEK</p> <p>We would have been having a fun cross-curricular week finding out about China.</p> <p>In school we will still be doing phonics and maths each day but the rest of the time we will be doing all about China.</p> <p>Have a fun week finding out about China!</p>
<p>Phonics</p>	<p>If we were in school as normal our phonics lessons would involve revisiting all of the things we have been doing so far and teaching a new concept (this could be writing words with the 'double' sounds ie. ee).</p> <p>So please keep practising the phonics activities we have introduced you too so far.</p> <p>The children would then be applying what they have been learning into the work they do (the activities within this planning where writing is expected).</p> <p>The children should be reading words and writing their own words using the sounds they know.</p> <p>s a t i p n m d g o c k c k e u r h b f f l l s s j w x w y z z z q u c h s h n g t h a i e e i g h o a o o u r a r o r o w a i r o i e a r u r e e r</p> <p>Words to practise reading and writing: and, to, the, no, go, I, he, she, we, me, be, was, my.</p> <p><u>Check Dojo for daily phonics games.</u></p> <p>Phonics play</p> <p>Education city phonics</p> <p>BBC bitesize phonics</p> <p>Videos on class dojo</p> <p>Alphablocks</p>

<p>Number</p>	<p>Repeating and reinforcing what they have done is extremely important to embed learning.</p> <p>Recognising and ordering numbers</p> <p>One more/one less than-</p> <p>Use toys/objects in the house</p> <p>Practical addition and subtraction using toys/objects at home</p> <p>Pairs- counting in 2s</p> <p>Counting out sets of objects and writing the number to match</p>
<p>CHINA</p>	<p>Our World - Countries</p> <p>Start by thinking of and making a list of all of the countries they know.</p> <p>China</p> <p>Find China on a map of the world. Talk about what they know about China.</p>  <p>Chinese New Year - Year of the Ox - Feb 12th 2021</p> <p>Twinkl - powerpoint about Chinese New Year</p> <p>CBeebies - Chinese New Year story</p> <p>Write their own version of the story or draw and label the animals from the story</p> <p>Make an Ox mask.</p> <p>How to say Happy New Year</p>

There are lots of different ways to say Happy New Year in Chinese as there are lots of different variations of Chinese

This is the one we use

'Gung hay fat choi'

If you go online there is a little song using this version

Children's Chinese zodiac

(If born before 8th Feb 2016 they are a SHEEP/GOAT and on or after MONKEY).

Make their own animal mask or puppet

Draw their own animal

Chinese Flag

Look at and make your own Chinese Flag.

Traditional Chinese Clothing

Go online and look for traditional clothing

Draw and colour pictures of people in this type of clothing

Chinese Music and ribbon dancing.

<https://youtu.be/Yea9kU9Vk-o>

You will need a long piece of ribbon. If you don't have any, simply cut a piece of paper into strips and tape together into a long strip. Your child could colour the ribbon too!

Chinese Writing

Look at images of Chinese writing online. Talk about the fact that they write down the page and use brushes to write.

They can do their own Chinese writing.

Try making one of these (or something similar).

Chinese Food

Have a food tasting session to try out Chinese food. Your child could record what they ate and whether they liked it or not.

Chinese art

Online Resources

There are lots of resources online that link nicely with China. As it is Chinese New Year at the end of the week, there will be lots of things online if you search for Chinese New Year.

If you have access to a printer you could print some of these out.
