## **Supporting Everyone at Ashley and the Local Community**

Thank you to everyone who has continued to support the school, by following the one way system at the start and end of the school day.

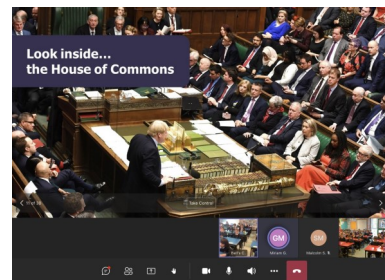

We would also ask adults to wear a mask at the busy times, particularly at the end of the day, when you are collecting your children. You would be protecting yourself and others if you do so.

We have had over 30 children and 2 adults going for a test, since the beginning of last week. So far, only one of these tests has returned a positive result, this meant one of our Year 5 bubbles was sent out to self isolate for 10 days.

You must inform school straight away if your child is being tested and inform us of the result as soon as possible. If the result come back out of school hours, email Mrs Todd at [dtodd@ashley.s-tyneside.sch.uk](mailto:dtodd@ashley.s-tyneside.sch.uk) Please remember to keep your child at home until their test result has been returned.

**We thank you all for your support at this challenging time.**

## **Year 3 children 'visit' Parliament**

The children joined a Teams call with the education team from the UK Parliament. They learned all about Parliament and how it works, who MPs are and what they do, who our local MP is, the difference between the House of Commons and the House of Lords and then how new laws are made. The children then had the opportunity to ask questions and they took a particular interest in Big Ben, which is actually called the Elizabeth Tower.

## **Easter Display**

Our Nursery children have been very busy decorating eggs, to put on display in the window of Tynedale Family Funeral Parlour.

The staff were so impressed with the children's work, they have sent a treat to school for everyone, to be given out before the Easter break.
