COVID Tests During the Easter Break

Up until and including Wednesday 7th April, you must inform school straight away if your child is being tested and inform us of the result as soon as possible. A positive test result may impact other children and staff and we will be in touch via Parentmail, if necessary.

Please inform us during this time by emailing Mrs Todd at dtodd@ashley.s-tyneside.sch.uk

If your child is showing any COVID symptoms during the holidays, please take them for a test.

Following the break, we will continue to operate in school as we have been, with our one way system and staggered start and finish times. We hope that this can be reviewed during the next half term, depending on the advice from Public Health.

We thank you all for your continued support at this challenging time.

Year 5 Bikeability

On Monday and Tuesday this week, many of Mrs Tuff's children took part in their Level 2 Bikeability training. They had really good weather for this and thoroughly enjoyed it. Mrs McCormick's Year 5 children have the chance to participate in this during the week beginning 19th April.

Easter Fun

Happy Easter from everyone at Ashley Primary
