Headteacher: Kelly Overson

Dear Parents / Carers

I am delighted to share with you that our Ofsted inspection took place this week and that the process has gone extremely well.

Over the course of two days, we welcomed four inspectors into our school. They examined all aspects of our provision, including safeguarding, inclusion, curriculum and teaching, achievement, personal development and wellbeing, attendance and behaviour, Early Years Foundation Stage (EYFS), and leadership and governance.

At the end of the inspection, we received the provisional outcomes. However, these remain confidential and cannot be shared until the final report has been published by Ofsted. We will, of course, communicate the outcomes with you as soon as we are able to do so. What I can say is how incredibly proud I am to be the Headteacher of this wonderful school.

Throughout the inspection, our children were exceptional. They conducted themselves with maturity, confidence and enthusiasm, and spoke wonderfully to the inspectors about their learning and experiences in school. They were a true credit to themselves, their families and our school community.

I would also like to extend my sincere thanks to our dedicated staff team. Their hard work, commitment and passion for providing the very best education and care for our children were evident throughout the inspection. The inspection process recognises the work of an entire school community, and our staff should be immensely proud of all they have achieved.

Finally, I would like to thank you, our parents and carers, for your continued support. The strong partnership between home and school plays a vital role in the success of our children and the ongoing development of our school. Your encouragement, trust and engagement are greatly appreciated.

While we must wait for the publication of the final report before sharing the outcomes, I wanted to take this opportunity to recognise and celebrate the tremendous efforts of everyone involved.

I am an exceptionally proud Headteacher, and this week has reinforced what a special school community we have. #CREWGREENTOP

Thank you once again for your continued support.

Kind regards

Kelly Overson
Headteacher
