

Kingsford Community School

An International School and Confucius Classroom

ENRICHMENT OFFER

2026-2027

WHEN	WHO	YOUR TASK
Every Monday Period 6	Check your year group	Choose three preferences

Try something new. Build confidence. Find your people.

Read the activities carefully and select three different choices. Final allocations depend on staffing, room availability, safety and capacity.

How to use this brochure

1. Explore each category and read the activity descriptions.
2. Check that the activity is available for your year group.
3. Choose three different activities: your first, second and third preference.
4. Write all three choices in your planner before the end of the lesson.
5. At home, sign in with your school Google account and submit the correct Google Form on the VLE page titled Co-curricular and Timetable.

Important: all three preferences are required. You are not guaranteed your first choice, so choose three activities you would genuinely be happy to attend.

Year 11 note: Year 11-only provision is included for completeness and is not part of the Years 7-10 preference form.

Available to: Year 7, Year 8

Develop teamwork, strategy, communication and responsible participation through structured esports and gaming activities.

46. Financial Literacy Club

Available to: Year 7, Year 8, Year 9, Year 10

Learn about budgeting, banking, investments, tax and payslips through practical real life scenarios.

47. FutureBotics Lab: AI, Game Design & Robotics

Available to: Year 7, Year 8, Year 9, Year 10, Year 11

Explore artificial intelligence, game design and robotics through creative digital projects and practical challenges.

48. Gaming Club

Available to: Year 7, Year 8

Take part in supervised, age appropriate cooperative games, challenges and friendly tournaments.

49. Kingsford Adventurer's Society

Available to: Year 7, Year 8, Year 9, Year 10

Play Dungeons and Dragons, create stories, solve problems and work as a team on imaginative adventures.

50. Kingsford News Team

Available to: Year 7, Year 8, Year 9, Year 10, Year 11

Research school stories, conduct interviews and create news content for the Kingsford community.

51. Life Ready

Available to: Year 7, Year 8, Year 9, Year 10, Year 11

Build practical skills for independent living, communication, organisation, decision making and future success.

52. Mindfulness Club

Available to: Year 7, Year 8, Year 9, Year 10

Explore calming and creative activities that support wellbeing, reflection and positive habits.

53. Mission Impossible Club

Available to: Year 7, Year 8

Work in teams to complete creative missions, solve problems and overcome practical challenges.

54. Pause & Puzzle (Puzzles for Mindfulness)

Available to: Year 9, Year 10

Use calming puzzles and mindful activities to strengthen focus, resilience and problem solving.

55. Psychology Mind Lab

Available to: Year 7, Year 8

Explore how people think, feel and behave through engaging psychology experiments, discussion and problem solving.

56. Puzzle Club

Available to: Year 7, Year 8, Year 9, Year 10

Challenge yourself with jigsaws, Sudoku, crosswords and other puzzles that build patience and problem solving.

57. STEM Club for Modelling Maths

Available to: Year 7, Year 8, Year 9

Use mathematics to solve practical problems, analyse data, build models and test predictions.

CIVIC ENGAGEMENT

6 possible activities in this category

58. Debate Mate

Available to: Year 7, Year 8, Year 9, Year 10

Develop persuasive speaking, critical thinking and teamwork through structured debates and challenging motions.

59. Debating Club

Available to: Year 7, Year 8, Year 9, Year 10

Plan arguments, use evidence and develop the confidence to debate respectfully with others.

60. Global UN Club

Available to: Year 7, Year 8

Represent countries, investigate global issues and take part in Model United Nations debates.

61. Including Vulnerable People in Society

Available to: Year 10, Year 11

Explore vulnerability, inclusion and how individuals, workplaces and charities can support people in the community.

62. The Gentle Argument Society

Available to: Year 8, Year 9

Discuss important questions, build thoughtful arguments and learn to disagree respectfully using evidence.

63. The Ripple Effect

Available to: Year 7, Year 8, Year 9

Plan positive actions that make a difference to the school or wider community and evaluate their impact.

Before you submit

- ☐ I have selected three different activities.
- ☐ Each activity is available to my year group.
- ☐ I have written my first, second and third preference in my planner.
- ☐ I will sign in using my school Google account.
- ☐ I will submit the correct form on the Co-curricular and Timetable VLE page.

Enrichment begins Monday 14 September 2026 and runs every Monday during Period 6, from 3.00 pm to 3.45 pm.
