

Dear Parent/Carer

## **VACANCY FOR A PARENT GOVERNOR TO JOIN HEARTLANDS HIGH SCHOOL LOCAL GOVERNING BODY**

Heartlands High School has a vacancy for a Parent Governor to join the Local Governing Body. Applicants must either be a parent or a person who has parental responsibilities of a child registered at the school.

We want our governing body to reflect and represent our wide and diverse communities - and welcome applications from people from every background and walk of life. We want to ensure that voices from our local communities are heard at our governing body meetings; that the experiences, views and insight from our local communities are always part of the governing body discussions and decisions.

We are really keen to hear from parents and carers who have a passion and commitment for education and its power to transform lives and who would like to be part of our governing body.

Attached you will find:

### **How to apply**

If you're interested in applying for the role, please complete the candidate application form attached and email [naomi.rennard@searcheducationtrust.com](mailto:naomi.rennard@searcheducationtrust.com) by 9.00 am on 20th January 2022.

As we only have one vacancy, if there is more than one application, a ballot will be held. If that is necessary, ballot papers will be sent out to all Parents and Carers together with details of the ballot procedure.

Candidates are asked to provide a short personal statement to support their application, which should be no longer than 300 words. In the event of a ballot being needed the personal statement submitted will be circulated as part of that process.

Please note that applications received after the closing date will not be accepted.
