Dear Parent/Carer

Year 9 Parents Evening: Thursday 28th April 2022 4pm – 6pm

Your child's Parents' Evening is on **Thursday 28th April 2022**. We are looking forward to meeting you in-person after a period of conducting meetings virtually. This will give you the opportunity to talk to each of your child's teachers about their progress in each subject. You will discuss what they have and will be studying and how they are getting on in their learning.

You will need to make appointments with each subject teacher on **the 'My Child At School' app** and students should also record these in their planner. They should bring their planner with them on the evening. Please see the reverse for support with booking appointment times.

On Thursday 28th April 2022 please:

- Arrive at school via the community entrance (car park). There is no parking on the school site.
- Your child must attend with you. Students cannot attend without an adult.
- Students should attend in full school uniform.
- If you need a translator, we suggest that, wherever possible, bring a family member or friend

Please book your appointment time as soon as possible, these will be made on a 'first-come, first-served' basis and need to be made by Wednesday 27th April 2022

We look forward to seeing you at this important event.

Yours sincerely

Ms Sangha

Assistant Headteacher
