Welcome

Congratulations on aettina a place a Heartlands High School and welcome.

Starting a new school is an exciting time and an incredible opportunity. Our students here SEARCH for Success. The last letter of SEARCH stands for High Aspirations. Simply speaking, we want vou to aim to be the best you can be. A new secondary school is a unique opportunity to ensure that you make quick progress in achieving your goals. It is important that you set these goals high. Think about how school can help you to achieve and try your best everyday. That is all we ask

Change can sometimes be unsettling. However, at Heartlands High School we try to make sure that you get all of the information that you need to make this change as easy as possible. The key to starting well at secondary school is to make sure that you are clear about

the expectations that the school has of you. At Heartlands, we have high expectation in terms of your learning, your progress, vour behaviour and also how you develop your character as vou grow up and move towards becoming a young adult. Make sure that you read the home-school agreement and try your best.

Finally, enjoy your time here. Those students that get the most out of education are the ones that throw themselves into the experience. There is plenty on offer here. Get involved in after school activities, spend time in the library and try as many clubs as you can.

I am looking forward to meeting vou all over the next few months and getting to know more about your own aspirations.

Good luck

Bullying

What is bullying?

Bullying is behaviour by an individual or a group that is seen by you as an attempt to hurt, frighten, humiliate or threaten you or someone else, particularly if the behaviour is repeated or persistent.

Bullving can be...

Physical: hitting, pushing. taking someone's belongings.

Verbal: name-calling, insults. racist or sexist remarks. homophobic or threatening behaviour or demanding money.

Indirect: spreading rumours, being unfriendly, excluding someone from a group.

Cyber: all areas of internet, email, chat room misuse. Mobile threats by text messaging, instant messaging and calls. Misuse of camera and video on a phone.

How to react

Try to ignore bullies. Walk away and do not let them see that you are upset. Don't give them the satisfaction of getting a reaction from you.

If you can, calmly stand up for yourself and ask them to stop.

Try to stay with friends and avoid being on your own.

What to do next

Tell someone you trust. This could be a friend, someone at home or a teacher

Just talking to someone may help you to find a solution to the problem.

What will happen if you tell a teacher

The teacher will listen to you and offer support. The teacher can talk to the person who is bullying you and hopefully stop the bullying.

What to do if you see bullying

- Comfort, support and stav with the victim
- Tell the victim to report the incident
- Tell someone (e.g. a teacher) what you have seen.
- If you are in a group where one member is bullying, show that you disapprove, because by doing nothing you support the bully.

Bullying

What are the signs and symptoms of bullying

A person may indicate by signs or behaviour that they are being bullied. Everyone should be aware of these possible signs and should investigate if the person:

- is frightened of walking to or from school or changes route
- doesn't want to go on public transport to school
- begs to be driven to school
- changes their usual routine
- begins to truant
- becomes withdrawn, anxious, or lacking in confidence
- becomes aggressive, disruptive or unreasonable
- starts stammering
- threatens or attempts suicide
- threatens or attempts to run away
- feels ill in the morning
- asks for money or starts stealing money
- has unexplained cuts or bruises
- is frightened to say what's wrong

- is afraid to use the internet or mobile phone
- is nervous and jumpy when a cyber message is received

Values for Success

At Heartlands High School we give students the opportunity to get it right! When all else fails we have a structured approach to sanctions within the school Our policy on sanctions aims to ensure that the few who choose to disrupt lessons are given a clear warning to improve. Positive reminders and sanctions are given without emotion and are a clear signal for students to improve. If they choose not to improve. students will be removed from lessons

The System in Lessons

We love our school atmosphere. where learning is enjoyable for all students and staff Students work hard, and get rewards for this. There are times when in class, staff give students choices, to improve their behaviour

Yellow Cards

Following a 'positive reminder' a yellow card may be issued. Teachers issue cards to students without talking and by placing the card on the table. This is an opportunity for the student to change their behaviour, we want to see a positive choice.

Values for Success

Red Cards

When staff issue red cards they do so to inform students that they have been referred to a Senior Member of staff. The teacher will call 'On Call' and present the card to the member of SLT. Cards are handed to students and an appointment time is made for R&R

A red card has a one hour detention attached to it. served the following day.

The tutor will then see this during tutor time at the end of the day. After tutor time, the tutor will then support the student with the R&R The student then has the responsibility for attending their detention the next day. Teachers will phone home if a red card is issued

Beyond Words

Beyond Words is our whole school reading programme that creates readers for life

You will be guided towards reading books which are appropriate for you and which will allow you to show your understanding and get rewards by completing guizzes online. aiming for 85% correct.

You will track how much you are reading weekly along with your tutor and English teacher using an online report. You should aim to read for a minimum of 20 minutes a day.

If you are meeting your reading targets, you will receive merits and certificates. There are rewards offered too such as badges, book vouchers, kindles and the chance to attend exciting trips.

What is your reading age?

Your reading age is a measure of your reading ability in compared to an average child of a that age. The more often you read, the higher your reading age will become. We will find this by testing you 3 times a year.

How will you be able to choose the right books?

Books in the library have a ZPD (book level) that you will pick from based on your reading age. Your start with books at the lower end of your ZPD and see how far you can get! To find out the level of a book not from the library, you can search on arbookfind.co.uk.

Average percentage correct 85%

Engaged time 20 minutes per day

Beyond Words -Monitoring your progress

You will track your reading every week in your English lessons and during tutor time using the online report. This is a really good opportunity to achieve merits and prizes for hitting 20 minutes a day and 85% correct.

You must have a reading book with you every day.

If you do not have a reading book, a red card will be issued. If you repeatedly do not have a reading book, you will be put on a reading report.
