

Heartlands Highlights

May 16th 2025

Welcome to the first edition of our newly launched parent newsletter; Heartlands Highlights! I'm delighted to introduce this refreshed and reimagined communication, designed to keep you even more closely connected with school life. You will be receiving this fortnightly in your inbox, directly via our Office@ email!

This new format brings exciting features, including regular updates from our PE department to celebrate student achievements and sporting success, highlights from our unique SEARCH Days that showcase the breadth of enrichment on offer, and a look ahead to key upcoming events and important school news.

We know how much our families value being informed and involved, and this newsletter is part of our ongoing commitment to transparent, timely, and engaging communication.

Thank you, as always, for your continued support. We hope you enjoy this first edition and we look forward to sharing many more with you.

Good Luck Yr11 & Yr10 !

Year 11 are half way through their GCSEs and this week Year 10 begin their first round of GCSE Mocks! Good luck to them all!

Science Update

We were thrilled to host an exciting science event led by the renowned Royal Institution, bringing hands-on experiments and inspiring demonstrations to our school. This special occasion was not only a fantastic experience for our current students but also a wonderful opportunity to welcome our incoming Year 6 students and their parents. The event sparked curiosity, encouraged scientific thinking, and gave our future pupils a glimpse of the engaging and enriching learning environment they will soon be a part of. Thank you to everyone who joined us in celebrating science in action!

SUMMER EXAMS 7-10

Parents and students can now access all of the Year 7-10 AFA 2 exam dates, revision topics and revision resources at

<https://heartlands.haringey.sch.uk/students/examinations/years-7-10/>

Students have received a hard copy of the AFA 2 schedule.

UKMT Intermediate Maths Challenge Award

We are incredibly proud to celebrate the achievements of our students who participated in the recent UKMT Intermediate Maths Challenge. This prestigious national competition encourages mathematical reasoning, precision of thought, and fluency in problem-solving. Our students' outstanding performance reflects their dedication and talent, with many earning Bronze, Silver, and Gold certificates. A special commendation goes to those who achieved the highest accolades, placing them among the top young mathematicians in the country. Their success is a testament to their hard work and the support of our dedicated staff. Congratulations to all our participants!

Interhouse news!

It was fantastic to get the house's together for our first House assembly earlier this term. The focus was on a sense of belonging and also saw some students volunteering to compete over different interhouse challenges in front of their year group.

We also has some fantastic competition with our year 7 and 9 students on SEARCH day for Danish Longball. It was brilliant to see our students working together in their houses. A massive well done to all those that took part.

ARTIST OF THE WEEK!

NAJAH - 7ALL

Najah created this amazing crochet hat inspired by Hello Kitty over the Easter break! This is SO clever and must have taken so long to craft! Great work Nadja - keep it up!

PE Dept News!

Huge numbers of HHS athletes taking part in Track and Field cup and Haringey athletics competitions this half term. Some outstanding individual performances as well as Y8 girls winning 1st place again! Super proud of all the effort and talent from these young people! Don't forget morning running on a friday is a great way to improve health and endurance as well as a chance to make the HHS squad.
