UCL - Stepping Up Your Study Skills - 6-week online series - for Year 11's – Closing 28th Oct

UCL Stepping Up Your Study Skills is a 6-week online series for Year 11s designed to equip them with the tools you need to study more effectively, manage their wellbeing, and approach GCSEs with confidence. Each session includes interactive elements such as polls, quizzes and activities to help apply the techniques learnt and there will be the chance to connect with a UCL Student Ambassador who will be able to answer questions and share their own tips and advice on effective study skills. The series will begin on Tuesday 11th November and will run for 6 weeks until Tuesday 16th December. All sessions will take place between 5pm and 6pm

InvestIN - Understanding UCAS: Building Experience That Makes You Stand Out – for years 11 – 13 - 2nd October

A strong UCAS application is about more than grades. Admissions tutors are looking for students who can show genuine interest in their subject and demonstrate the experiences that have helped them grow. This free webinar for students and parents in Years 11-13, will introduce students to the UCAS process and give them a clear plan for building an application that reflects their potential.

Brown Jacobson - FAIRE (Fairer Access into Real Experience) 'Big One' – Law virtual careers event – for years 11 – 13 - 28th Oct

FAIRE virtual careers event is open to any aspiring solicitor, barrister, lawyer or in-house counsel. The event will suit those doing (or about to begin) A-Levels and those seeking an Apprenticeship, or those at university. The event's sessions will see attendees have exclusive access to some of the UK's highest profile legal professionals and offer a chance to learn all about how to break into the law.

Attendees will hear beneficial insights and advice from the speakers on topics including being a barrister, solicitor, legal apprentice, what it's like to be in the law when neurodiverse, how to structure an argument and why 'winning at all costs' is a plan that will see you fail. Attendees will also learn more about the application and recruitment processes they will encounter in the law, as well as what really makes an application stand out and someone be successful.

In addition, Brown Jacobson is launching a brand-new Employability Hub at the end of the event. The new 'Hub' is a game-changing resource for students, parents, guardians, teachers and careers staff and gives a 100% free on-demand tool to those either seeking a career in the law themselves, or those who have a student or young person in their household and want to know more about how they can support their career ambitions. The event is delivered by Brown Jacobson in partnership with Young Professionals on Tuesday 28th October 9.00 – 4.15pm, online via Zoom. The event will also be recorded to allow those who signed up but were unable to attend live to access the recordings and benefit from the sessions. <https://www.surveymonkey.com/r/BrowneJacobson-VWEX-2025>

Stemettes – SLQ Certification Academy – for young women and non-binary people aged 15 – 25 - 27th – 29th Oct

Want to learn SQL* whilst also meeting new people and having fun? Join the Stemettes team to get playful, solve data and professional challenges, and learn SQL programming. Participants will get an industry-recognised certification, get to meet like minded peers and industry professionals at this free, fun, food-filled certification academy in London. Monday 27th - Wednesday 29th October, venue TBC <https://stemettes.org/events/dream-learn-prepare-visions-season-sca/> *Structured query language (SQL) is a programming language for storing and processing information in databases.

CURRENT APPRENTICESHIPS AVAILABLE FOR YEAR 11

South Western Railway – L4 Apprenticeship Opportunities – Closing 31st Oct – Start Sept 2026

L3 Communications Apprentice – On this 2 year programme apprentices work towards a L3 Content creator apprenticeship. Apprentices will be supporting the Community Rail Manager in collating evidence for key stakeholder reports and sharing best practice across the network. They'll analyse and collate data on the usage of social media and identify ways to support and encourage participation and produce clear and concise content for case studies and social media channels.
