Wellbeing Room

The Wellbeing Room, located in S3.9, is available every lunchtime for students who may need a calm and supportive space away from the busy school environment. This can be particularly helpful for those experiencing anxiety, friendship difficulties, or who simply need a quiet moment to reset during the day. Members of the pastoral and safeguarding teams are on hand to check in with students and offer support where needed.

Parents and carers are encouraged to let us know if their child may benefit from using the Wellbeing Room, either regularly or occasionally. Our aim is to ensure that every student feels safe, listened to, and supported during the school day.

If you have any safeguarding concerns, please contact us at safeguarding@heartlands.haringey.sch.uk.
