Medical Schools Council - Free summer schools for medicine – for year 11 - Closing 30th Nov

Funded by NHS England, the Medical Schools Council and Dental Schools Council will be running several free summer schools across England. The schools offer a simulated experience of what it's like to study medicine and participants will get to try out different teaching methods and learn what to expect when they move from sixth form to university. They will also get an overview of the wide range of careers in medicine and dentistry, including specialties in demand and non-patient-focused healthcare options, plus much more. Medicine Residential Summer Schools are available at the following universities;

- Brunel University with Imperial College London
- University of Lancashire with University of Sunderland
- Brighton & Sussex Medical School (BSMS) with University of Southampton and University of Surrey
- University of East Anglia with Anglia Ruskin University
- Newcastle University
