Foot Anstey - Virtual Work Experience - what is a career in law - for years 11 - 13 - 26th Oct - Closing 18th Oct

Curious about a career in law? Join Foot Anstey for an engaging and interactive virtual work experience day designed to provide a real insight into the legal profession. On the day students will Explore the different areas of law covered by a commercial law firm. Hear about the different pathways into the profession. Top tips on how to find the right law firm. Start building commercial awareness skills. Whether set on a legal career or just exploring options, this session will help students build confidence, gain knowledge, and make informed decisions about their future. Monday 26th Oct, 11 - 3.00pm, online <https://apply.candidats.io/61648b80-0673-4a04-ac67-e1a27c7a8c8a>

DYSON - ENGINEERING CLUB - FOR AGES 14 - 18

Are you interested in finding out more about engineering? Dyson's Engineering Club is a virtual series of workshops for future engineers covering topics such as design, innovation, mechanical engineering, software, coding, renewability, and sustainability. Each session unveils a new discipline, offering insights, hands-on activities, and a broader view of the engineering landscape. Sessions are held each month from September to June on Zoom, and are hosted by a Dyson Institute Graduate. Students can stay updated, access past sessions, and download activities via the Engineering Club portal. Register here

Free Saturday Filmmaking Club at the University of Hertfordshire!

Calling all aspiring film and storytelling teens between 13-16!

This is your chance to explore filmmaking with our **FREE** Saturday Morning Filmmaking Club at the University of Hertfordshire's School of Creative Arts.

Here's the reasons to join:

- Become a filmmaking whizz. Learn everything from creative concepts to wielding the camera like a pro and editing your own film.
- Make new friends, gain new skills and improve your job and university prospects.
- Network with industry professionals and film experts at a masterclass and showcase your creativity at a national exhibition.

It's **FREE!** as the Club is part of the national Saturday Club network and sponsored by the amazing **British Film Institute** and exciting new attraction **The Elstree Immersive Experience**.

How it works:

- Immerse yourself in the filmmaking world on Saturday mornings 10am-1pm (during term-time) at the University of Hertfordshire's College Lane campus using our top facilities.
- Be inspired by our experienced tutors who'll guide you every step of the way, with support from fun and friendly University of Hertfordshire film students.
- Unleash your potential: This club is about so much more than just filmmaking, 93% of Saturday Club members felt they'd developed skills, 81% had gained confidence and 78% felt that attending had boosted their positivity.
- Get set! Places are limited (only 25!), so sign up ASAP to secure yours. Our first session is scheduled for 7th November and the club will run largely through the winter and spring terms.

APPRENTICESHIP SUPPORT

RSM/Pathway CTM - Female Focus: Virtual (Apprenticeship) Insight Evening - for females in years 10 - 13 - 20th Oct

Join RSM for a virtual insight evening designed for female students exploring finance careers. This session allows attendees to hear directly from RSM's female apprentices about their career journeys, ask questions, and learn what life as an apprentice is truly like. Participants will hear about the early careers opportunities and pathways RSM offers, including apprenticeships across Audit, Tax and Consulting. Get an honest look at day to day life as an apprentice, straight from current female apprentices at RSM. Learn how RSM supports women in the industry and ask questions in a live Q&A at the end. Open to female students in Years 10 - 13 with an interest in finance or accounting, and their parents or carers. Tuesday 20th Oct, 5.30 - 6.30pm, online <https://pathwayctm.com/event/rsm-female-focus-virtual-insight-evening/>

Success at School - Ask an Apprentice

Got questions about apprenticeships, career paths, or life after school/college? Success at School's student mentors are young apprentices who have been where you are now and can provide valuable insights and support for your education and career journey
<https://successatschool.org/community>

Amazing Apprenticeships - Application guide

This guide will help students to prepare for the application process and be ready to show they are the right person for the role. It explores key information to include in application forms, CVs, cover letters, assessments, interviews and much more.
