What is Show My Homework

A simple online solution for students and parents to view homework details and upcoming deadlines.

Mobile apps and notifications ensure you always know what homework your child has and when it's due.

How Show My Homework can Help You

A young man and woman are walking away from the camera on a paved path on a university campus. The man is wearing a light-colored shirt and dark trousers, carrying a brown messenger bag. The woman is wearing a light-colored top and a dark skirt, carrying a black backpack. To their right is a set of stairs with a metal railing. In the background, there are green trees, a bridge, and a building with a thatched roof. The scene is brightly lit, suggesting a sunny day.

The Homework Calendar

Homework appears as a block, stretching from the issue date to the due date.

The screenshot shows a web-based homework calendar interface. At the top, there is a search bar and a notification bell with a red '2'. Below this, a summary shows 5 homework items yet to submit, 2 deadlines finishing today, and 2 past due dates. The main area is a calendar grid for March 9th to 15th, 2015. The grid shows homework blocks for 'IOS homework (9/DC) Arts' by Mrs. C. Sibley and 'Firework safety (9/Bett) Physical Education' by Mrs. J. James. The blocks are color-coded: green for Arts, purple for Physical Education, and orange for another Arts assignment.
