## **YEAR 11: IMPORTANT INFORMATION FOR PARENTS**

### **FREE TUITION**

We are offering Year 11 students free tuition in all subjects in which they are currently working at below target grade. **You will receive a 'free tuition' card at the start of parents evening to record details of the sessions your child is expected to attend.** The sessions are led by teachers who are highly experienced in preparing students for exam success. If your child does not attend every session he / she is expected to attend, it is highly unlikely target grades will be achieved. This in turn will impact on the choices available for further study post 16.

### **YEAR 11 VIP ZONE**

This is an area on the school website where both students and parents can access a variety of resources such as exam timetables, revision templates, specifications, revision lists, exam papers, topic based exam questions and a whole host of other resources. Please ensure your child is using these resources to support his / her revision.

### **ONLINE LEARNING**

An 'Online Learning' flyer will be available in your pack. This has details of the resources we recommend students use for revision. Students have personal logins and passwords which enable full access. Please ensure your child is able to access these resources and is making full use of them to support their revision. Please contact either myself or Ms Woolford if this is not the case.

Finally we would like to take this opportunity to thank you for your continued support and to wish you and your family a restful and peaceful Christmas break.

Mrs Rufo and Ms Woolford
