**RE: February Half Term, Year 11 GCSE Free Tuition**

Dear Parent / Carer,

This is a very busy time for Year 11 as they complete GCSE coursework tasks and prepare for their next set of Pre Public Exams which take place from Monday 25 February to Friday 7 March. Revision plans for all subjects have been added to the VIP Zone (Year 11, PPEs, PPE2, Revision Plans), please ensure your child is using these to support their revision.

To further support students we are offering targeted free tuition, delivered by teachers who are experts in their field, during February half term.

A general timetable for the week is attached, however your child will bring home details of the sessions he / she must attend. A text message will also be sent to you with these details.

Please ensure your child arrives on time, is fully equipped and signs in and out of school at the front office.

If you have any queries, please do not hesitate to contact us.

Yours sincerely,

Mrs P. Rufo  
Assistant Headteacher KS4
