Message from the Headteacher

Dear Parents and Carers

Congratulations to Ms Sharma, Ms Hazley and Ms Zaraat who will join the SLT as Associate Assistant Headteachers this week. Ms Sharma will lead on the timetable and logistics, Ms Hazley will lead on Healthy Schools and Wellbeing for staff and students and Ms Zaraat will continue to lead an expanding Sixth Form.

A special thank you to Ms Panchal and the EAL team for organising an excellent EAL Induction Celebration Event on Wednesday evening. More information about the event can be found on the next page.

On Thursday 10 October is World Mental Health Day. The theme this year is Suicide Prevention. Ms Minott-Statham, our Mental Health Lead, has prepared an excellent resource to show students during Form Time this week (more information about the presentation can be found [here](#)).

R

RESILIENT

“When the going gets tough – the tough get going”.

Being RESILIENT means you do not give up easily. This is important in education.

Learning can be hard work. The best learners do not give up – they keep trying.

BLACK HISTORY MONTH

Founded nearly 40 years ago, **Black History Month** is celebrated in the UK every October to recognise the contributions black people have made to this country over many generations. To see the personalities our students will be learning about this month, please [click here](#).

Alperton running club takes part in the Hyde Park 5km run for Osteoporosis

On Sunday morning, fifteen Alperton students took part in the Hyde Park 5km Run for Osteoporosis. We are very proud of the whole team who did extremely well in the competition. All our students finished the race, achieving their set running targets of either not stopping or sticking to a set pace. The money raised from the event will be donated to The National Osteoporosis Society. Well done everyone!

Excellent EAL Induction Celebration evening at our Ealing Road school

On 2 October we were delighted to host our annual EAL Induction Celebration evening at our Ealing Road school. A high number of parents turned up for the event to celebrate with their children the completion of a two-week induction programme that took place in September. During the programme, students were taught key language skills to help them meet the demands of secondary school. The Headteacher awarded students with certificates and parents were communicated key information regarding school expectations in their first language, to ensure everyone understood the information given to them. Following the event we received very positive feedback from parents and students alike. They said the evening was very informative and they really enjoy being part of our school community.

Library Newsletters
