

Photography and Biometrics Consent Form (under 13)

Dear Parent / Carer,

At Alperton Community School we pride ourselves in the ways we share teaching, learning and events with parents, carers and the wider world through school displays, our website and in the local and national media, for example, newspapers and the television.

As you are aware we may share your child's achievement by taking photographs and video by uploading video and photographs of our events in the school such; as sports day, ELD Days, Black History Month, educational visits and many other occasions where we want to capture the moment.

As part of the **General Data Protection Regulations (2018)** we must now get consent from parents to continue this work. By giving your consent we will be able to;

- Keep filming and sharing our achievements with everyone.
- Use photographs on the website to celebrate teaching and learning.
- Share pictures and video of events taking place in the school.

As part of our commitment to data protection, we will;

- make sure photographs are never uploaded with the names of students.
- ensure we let you know when a new upload has taken place.

Please note that if you sign the consent form, but wish to withdraw your consent at a later date, you may do so in writing, either via email or by letter, to the schools data protection lead:

Mr A. Hart (email: a.hart@alperton.brent.sch.uk)

We would like to be able to continue giving you a window into the school and all the activities that our students take part in so that you can share in the events that happen while you are at home or at work.

We find it is a great way to make students feel valued, give them an audience and raise their self-esteem and confidence. Please sign the form below and return it to your child's form teacher.

Yours faithfully

Mr A .Hart
