Year 12 [One Year Programme]

These are the Units of Work / Modules we study in Year 12

Unit 1: Principles of working in Health, Social Care and ChildCare: The fundamental principles required to ensure delivery of high quality care and support by all practitioners.

Unit 2: Health and Safety in Practice: Understanding of Health and Safety in practice.

Unit 3: Working in a Person Centered way: Knowledge of how the person centered approach taken by the Health & Social Care sector enables practitioners to provide person-centred care.

Unit 4: Safeguarding: Gaining skills to identify abuse and neglect as well as the knowledge of how to deal with disclosures or suspicions of abuse or neglect appropriately.

Unit 7: Working in Childcare environments: An introduction to providing good quality care in childcare environments and how to make a positive difference in children's lives.

Unit 8: Working with children in a ChildCare environment: This unit will help you to develop the professional skills you need to organise day-to-day experiences for children within a setting.

Entry Requirements

Click here to access the Health & Social Care Enrolment Task

The minimum entry requirement will be 4 GCSE qualifications at grade 3 including English Language and Mathematics. In addition students will be expected to commit to a weekly work experience in an appropriate setting for the duration of this course.
