RE: ELEVATE EDUCATION

Year 11 Parent Workshop Monday 20 January 2020

Dear Parent / Carer,

On **Monday 20th January** we are very lucky to have a renowned study skills company, Elevate Education, in school to deliver revision strategy workshops to Year 11 students. In the evening, **from 6:00p.m to 7:00p.m**, they will also deliver a not to be missed seminar for parents.

As parents form a critical part of their child's study habits, you are ideally placed to help reinforce effective study habits whilst discouraging poor ones at home. The parent workshop will equip you with strategies to support your child at this critical time in their education and will cover some of the most common issues for students studying at home such as motivation and time management. There will also be an opportunity for you to ask questions.

Please note this is a **parents only** workshop. As all Year 11 students will have received similar messages during their afternoon sessions there is no need for them to attend the parent workshop.

Please confirm your attendance by completing [this form](#) by Wednesday 15th January.

The workshop will start promptly at 6.00p.m in the hall at Stanley Avenue with refreshments available from 5.30p.m.

May I also take this opportunity to wish you a very happy new year, I look forward to seeing you on 20th January.

Yours sincerely,

Mrs P. Rufo
