We would like to invite you and your child to the **More Able Parent Evening** taking place on **Wednesday 12th February from 6:00 PM to 7:30 PM** in the Canteen at Ealing Road.

At this event you and your child will be provided with a range of free resources and advice and guidance on how to enable your child to make progress and attain to the best of his or her ability. Most Able students have the ability to achieve at a level significantly in advance of their peers. You must attend with your child if you would like access to the range of free resources that we think will enable your child to succeed in school.

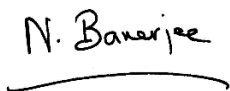

The evening will entail you visiting a number of themed stalls set up in the canteen. You will be given a range of information and educational resources to further your child's education. I hope you will commit to attending this very important event to support your child's education.

Please complete the online reply slip below by the 10th of February in order to confirm that you or another family member will attend the More Able Parents Evening.
