5th June 2020

Dear Parent / Carer

### RE: Fortnite video game

Your child is currently studying GCSE Media Studies with the EDUQAS exam board. One of the set products they are required to study is the video game *Fortnite*.

They need to be aware of the video games **industry** and games developer Epic Games. They also need to know how and why **audiences** interact and play the game. By playing the game themselves, it will give your child a better understanding and help them in their **exam responses**.

*Fortnite* has been rated **PEGI 12** by the Video Standards Council who regulate video games in the UK. There is a 'chat' feature in the game and due to online safeguarding I wanted to inform you of this.

For further information about the game, please read the advice on [Parent Zone](#).

If you have any concerns about your child playing *Fortnite*, please contact me on the email below.

I hope that you and your loved ones are well and continue to remain safe.

Yours sincerely,

Miss. S. Patel

**TLL Media Studies**
