Dear Parents & Carers,

I am writing to let you know about an incident which took place at the end of school today. As there is so much mis-information on social media, I thought it would be better for us to communicate directly with parents so you are clear about the facts.

A member of the public was seen behaving strangely on the Ealing Road. He caused problems in a number of shops and then walked towards the school. He approached members of the public, including two of our Year 10 students at the bus stop. The member of staff on duty at the bus stop called the Police immediately. The man has been arrested and taken away. At no point was anyone harmed or involved in an altercation.

We have not seen this member of the public before, however, we will ensure we maintain a considerable staff presence outside school at the end of the day and will dial 999 for police support if we encounter this person again.

Yours sincerely,

Gerard McKenna
