Dear Parent/Carer,

RE: Information about Pre Public Exams (PPE I)

Year 11 have made excellent progress this term re-capping work completed during lockdown and learning new skills and content for their GCSE exams. They are now preparing for their first set of Pre Public Exams (PPE 1) which will take place from Monday, 9th November to Friday, 20th November.

To support revision, a series of <u>targeted interventions</u> are taking place at school during half term. If your child is expected to attend a session, you will receive an email from Ms Alexander with full details. This week, students have spent form time engaged in revision activities to further support their preparations for these exams and have each received a copy of a CGP Guide on study skills. Please ensure they use this resource along with subject specific revision material from the Year 11 VIP Zone to ensure they are fully engaged in meaningful revision for the forthcoming exams.

To further support your child at this critical time please take a look at the pamphlets below from our PiXL partners on building resilience and how to encourage productive learning.

Building Resilience
