Who is Bisa Butler?

Bisa Butler was born in 1973 in New Jersey USA. She attended Montclair State University. However university, Columbia High School. She is an artist.

What media and processes does she use to make her artwork?

She combines portraiture with quilt making. Each of Bisa's artworks take over 1000 hours to complete. Using an applique technique she patches together different fabric pieces to create her portraits.

BISA

BUTLER

Contemporary textile artist

What words describe her artwork?

Her work is amazing so much time is spent on one picture.

Who are the people in her portraits?

Bisa creates her portraits on American life. She also makes them about men and women that have had a great life.

What are your thoughts and opinions on her artwork?

I have had a look at the Bisa's work and I really like it. I like all the colours she uses they all match together. All the pictures tell a story.
