Re: Year 11 Virtual Parents Evening Thursday 10th December and Thursday 17th December 2020

Dear Parent/Carer

On **Thursday 10th December and Thursday 17th December from 4.30p.m to 6.30p.m** your child's teachers look forward to speaking with you about your child's academic and pastoral progress this term.

Prior to parents evening you will receive a copy of your child's winter tracker which provides details of your child's exam results for the recent Pre Public Exams along with predicted GCSE grades.

Please have this document ready to refer to during parents evening as your child's teachers will discuss this data in detail and use it to set clear targets for your child to work towards to improve their grades. Your child's teachers will also provide details of their spring term intervention programme.

This year our parents' evening will take place **virtually** using **School Cloud**; an online portal for Video appointments. Full instructions on how to register can be found here: <https://vimeo.com/473882995>

Your personalised details are as follows, you must include these exactly as given on the login page to create your account and select your appointments.

Please book your appointment by 9th December 2020 using this link:

<https://alperton.schoolcloud.co.uk/>

Once you have booked your appointment, you will receive a confirmation email.

On the day, please log on to the portal **5 minutes before** your meeting time and please note that appointments are scheduled for 8 minutes and will conclude as soon as 8 minutes have elapsed.

We look forward to seeing you soon.
