STUDENT BOOK REVIEWS! *The London Eye Mystery*

'Salim came from Manchester to meet his cousins, Ted and Kate. Salim had never been in a Ferris Wheel and wanted to go to the London Eye. He went in the capsule alone - Ted & Kate wait for it to come back, but they are shocked to discover him not in there! Ted and Kate work together to solve this mystery. I would recommend this to those who like mystery, suspense and intense books.' *Dhairya Shah, 8W*
