Name	Introduction to Unifrog	What are skills?	Unifrog Interests quiz	Recording activities	What's your dream job?
Description	What is Unifrog? Introduce the platform to students, get all students logged on, and complete the Careers library treasure hunt	What are skills and why do they matter? Students find out in this homework-based lesson.	Students complete the Interests quiz on Unifrog and find out which jobs might be of interest to them.	Students complete the 'Recording activities' mind map and consider why recording their activities is important.	Students complete a treasure hunt around the Careers library, then use the library to find careers they are interested in and learn facts about those careers.
Teachers, ahead of the session	Upload all students to the platform and make sure students can access their accounts. See the FAQs tab for information on how to do this. Deliver the session in the cell below. After this session, add it as an Interaction for all students.	Set this as a task on Unifrog (attaching the 'What are skills?' distance learning lesson) using the Interactions tool and set a date for completion. Instructions on how to do this can be found on the FAQs tab.
