

RE: Assessment and Easter Intervention

1 April 2021

Dear Parent/Carer,

This recently released document details how GCSE grades are to be awarded based on a range of evidence gathered by teachers [JCQ guidance for students, parents and guardians](#)

To support the process of gathering evidence, all subject areas have shared detailed revision and assessment plans with students via the year 11 VIP Zone on the school website. These should be used in conjunction with the following resources to complete ongoing focussed revision in preparation for assessments taking place after the Easter break.

- [How to Revise: Top Tips For GCSE Success](#)
- [How to use flashcards](#)
- [Wellbeing](#)

To support students further, in school targeted revision sessions with teacher guidance have also been arranged. If your child needs to attend any of the sessions detailed on page 2 of this letter, you will receive a text message from the school. Students are expected to:

- Attend all sessions
- Sign in and out via the front office
- Go directly to the relevant session
- Follow the one way system, regularly sanitise hands, wear a face mask and only use Year 11 toilets
- Bring healthy food / snacks to eat during breaks

We would like to take this opportunity to congratulate Year 11 students for their dedication and positive attitude towards their studies. During the recent period of assessments they have continuously demonstrated our 4 R's; to be Ready, Respectful, Responsible and Resilient, and we look forward to welcoming them back after the Easter holiday.

Thank you for your continued support, please do not hesitate to contact us if you have any queries.

Yours sincerely,

Mrs P. Rufo
