

29th April 2021

Dear Parent / Carer

As you will be aware, students in Year 11 are taking a series of assessments in all subjects during lessons. **These carry the same significance and importance as real GCSE exams as they will be used to determine final GCSE grades.**

This year Eid falls on Wednesday 12th May or Thursday 13th May, during a week in which several assessments take place. To ensure your son / daughter achieves the best GCSE grades possible in all subjects, it is essential they complete all assessments at the scheduled times. Therefore assessments taking place during Wednesday 12th May and Thursday 13th May will continue as per the schedule below.

WEDNESDAY 12TH MAY	ENGLISH [11S, 11T, 11V, 11X]	GEOGRAPHY	HISTORY	MEDIA	PSYCHOLOGY	RS
THURSDAY 13TH MAY	ENGLISH [11N, 11P, 11Q, 11R]	GEOGRAPHY	RS	SPANISH		

For students celebrating Eid, there is an option to attend school to take assessments only and return home when these are complete. Students will be expected to arrive during one of the following times; 8:30a.m for assessments taking place during period 1 and period 2, 11:00a.m-11:25a.m for assessments taking place during period 3 and period 4, 1:25p.m-2:15p.m for assessments taking place during period 5.

In order for your child to arrive later or leave earlier than usual, permission must be given via completion and return of the reply slip on page 2.

Please note, students will not be allowed to leave early unless permission has been given in advance.

As always, if there are any queries, please do not hesitate to contact us.

Yours sincerely,

P. Rufo
