Stacy Year 10

A collage of various sketches and photographs of natural objects. At the top left is a detailed black and white photograph of a large, lobed leaf with prominent veins. To its right are two pencil sketches of elongated, pointed leaves with fine, parallel veins. Below the large leaf is a large, detailed pencil sketch of a pinecone, showing its intricate scales and a small, textured, cylindrical object (possibly a seed or a small insect) above it. To the right of the pinecone is a photograph of a seashell with a grid-like pattern on its exterior and a striped interior. Below the pinecone is a small, detailed sketch of a pinecone scale. To the right of the scale is a small, square, cross-hatched sketch. At the bottom left is a small, square, cross-hatched sketch. At the bottom center is a small, detailed sketch of a pinecone scale. At the bottom right is a photograph of a seashell with a dark, spotted pattern.
