Year 10 Football against Ark Elvin

Team - Reza Al-Seffar, Dhru Patel, Hiten Shatugana, Sinan Urathodi, Samuel Jackson, Absar Muhammaed, Hareesuthan Sivarasa, Yeathunan, Anas Aden, Parrell Wilson, Enis Syli, Kairo Smith, Mohamed Adam

Man of Match - Dhru Patel

Year 10 won their football game away at Ark Elvin on Tuesday 14th of December. All boys gave fantastic effort to win 1-0.

During the first half we controlled the game and attacked when the opportunity came up scoring in the 26th minute.

When the second half started Ark Elvin put massive pressure on us by attacking on both wings. We countered and managed to have more scoring opportunities and prevent them from scoring.

Both teams enjoyed the competitive game and look forward to future competitions.

Weekly Profile: Mr Toth

- I have loved every type of sport in my whole life. As a child I did athletics, played football, swam and played handball.
- After moving to London I established a 5-a-side football team in West London called TW Hungarians.
- At ACS I try to recruit as many staff members as it is possible for staff football but sometimes the turnout is poor.
- My greatest experience was when I met the legendary ex-Real Madrid, ex-Kispest and Hungary and Spain international - **Ferenc Puskas** - later the **PUSKAS AWARD** was named after him - in a football tournament. We spoke a bit and I asked him to sign my student card/booklet and he did so.
- I am a lifelong Manchester United supporter and I try to watch every one of their games and want to see them winning the PL this year as well.
- I do workout every day except for the weekends and I hope it'll give some inspiration to my family, friends and students as well.

Weekly Profile: **Riyan 8K**

Netball and Basketball are my favorite sports. My favourite position is goal shooter because it is fun to compete against the goalkeeper.

My favourite Basketball player is Michael Jordan as not only is he famous in the sports world, he also has a shoe brand named after him. I enjoyed last year Sports day when I played shot put.

My target this year is to become better at shot put and come in first place.

Stars of the week

NHZ
Hershy Varsani
10V

Volunteering in the
S&H Department.

KMM

Hannah Haynes
8Q- Fantastic
organisation and
performance in
Rugby interform.

CYO -
