

Year 12 Textiles trip: Alperton Art Studios

"It was very useful to be able to see the vast difference between the artists creative inspirations. Also, hearing from them in person widened my knowledge about the life on an artist" **Yana**

"this visit actually made me think more about the career I want to do. From the visit I found that art therapy is one of the careers that can perfectly link with my interest in nursing" **Sejal**

"Meeting different types of artists that each have a unique business, talent and story was really interesting. Bello Creations let us have a try at making an earring. The ceramic artists were really inspiring as they shared how they have experienced life from school until now. Sampanda went to ACS and she herself is an artist which is inspiring" **Priya**

STRUCTURAL TEXTILES -

Initial Idea 4

Curles cut out in middle.

Coloured sections joined by Sea life

Front view

Back view

Heat pressed fabric (Bright colours)

Sections of fabric will be stuck together.

It will be part of a Jacket. -> Shown on side without pins.

Final design

Front view

Back view

Heat pressed fabric will be on body.

As I will create surface by bonding mesh.

It will open around neck.

My outcome did change from my initial design as I had different ways to get certain colors. In later days I found it a bit more to get these results.

Colour Palette

I chose this picture because I really like the colors and colors of it. Especially the shiny type like on jelly fish which I did use throughout my project.

My colour palette was very clear from start which made my project very smooth. I mainly focused on using blue, green, and yellow to give the highlight effect. I used colors from my pictures.

Inspirations from under sea - (jelly fish)

DIFFERENT WAYS OF STYLING - ONE PIECE

I have this dress considerably require jewelry or shoes. This dress is already heavy with details.

I will give more shape to this by adjusting mesh.

I will make the dress more like a skirt.

I will make the dress more like a skirt.

I will make the dress more like a skirt.

I will make the dress more like a skirt.

Different techniques Samples

Using 2 fabrics

Light blue for mesh and layer.

Blue synthetic fabric as front layer and I used heat setting for to get some of the mesh.

Using disposable fabric for the skirt (blue and green).

Heat gun

Light blue for mesh and layer.

Blue synthetic fabric as front layer and I used heat setting for to get some of the mesh.

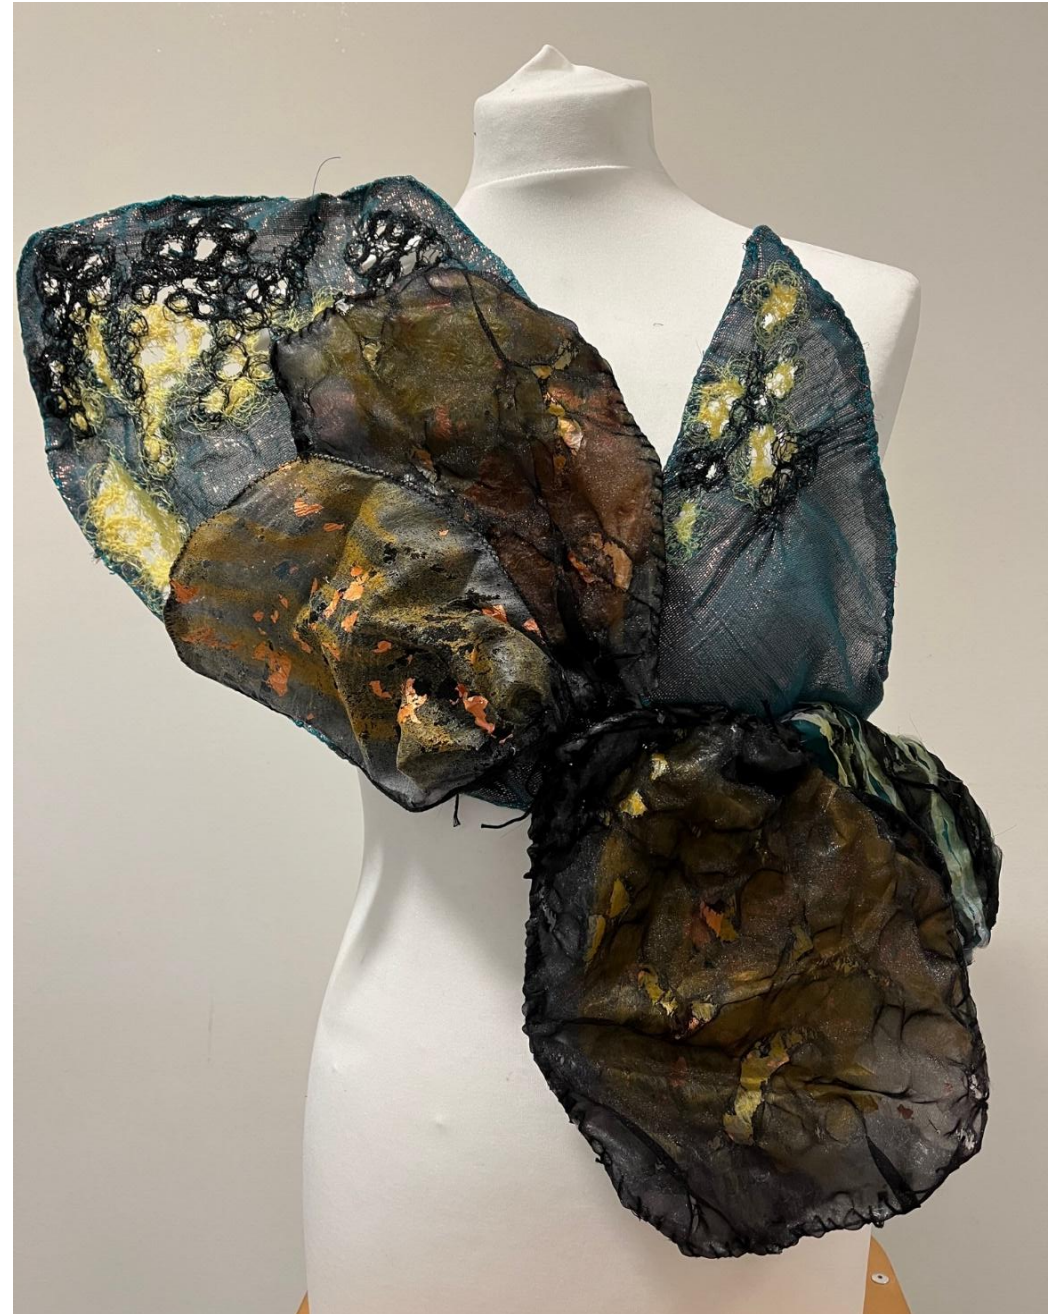

Using disposable fabric for the skirt (blue and green).

FINAL OUTCOME - PART A JACKET

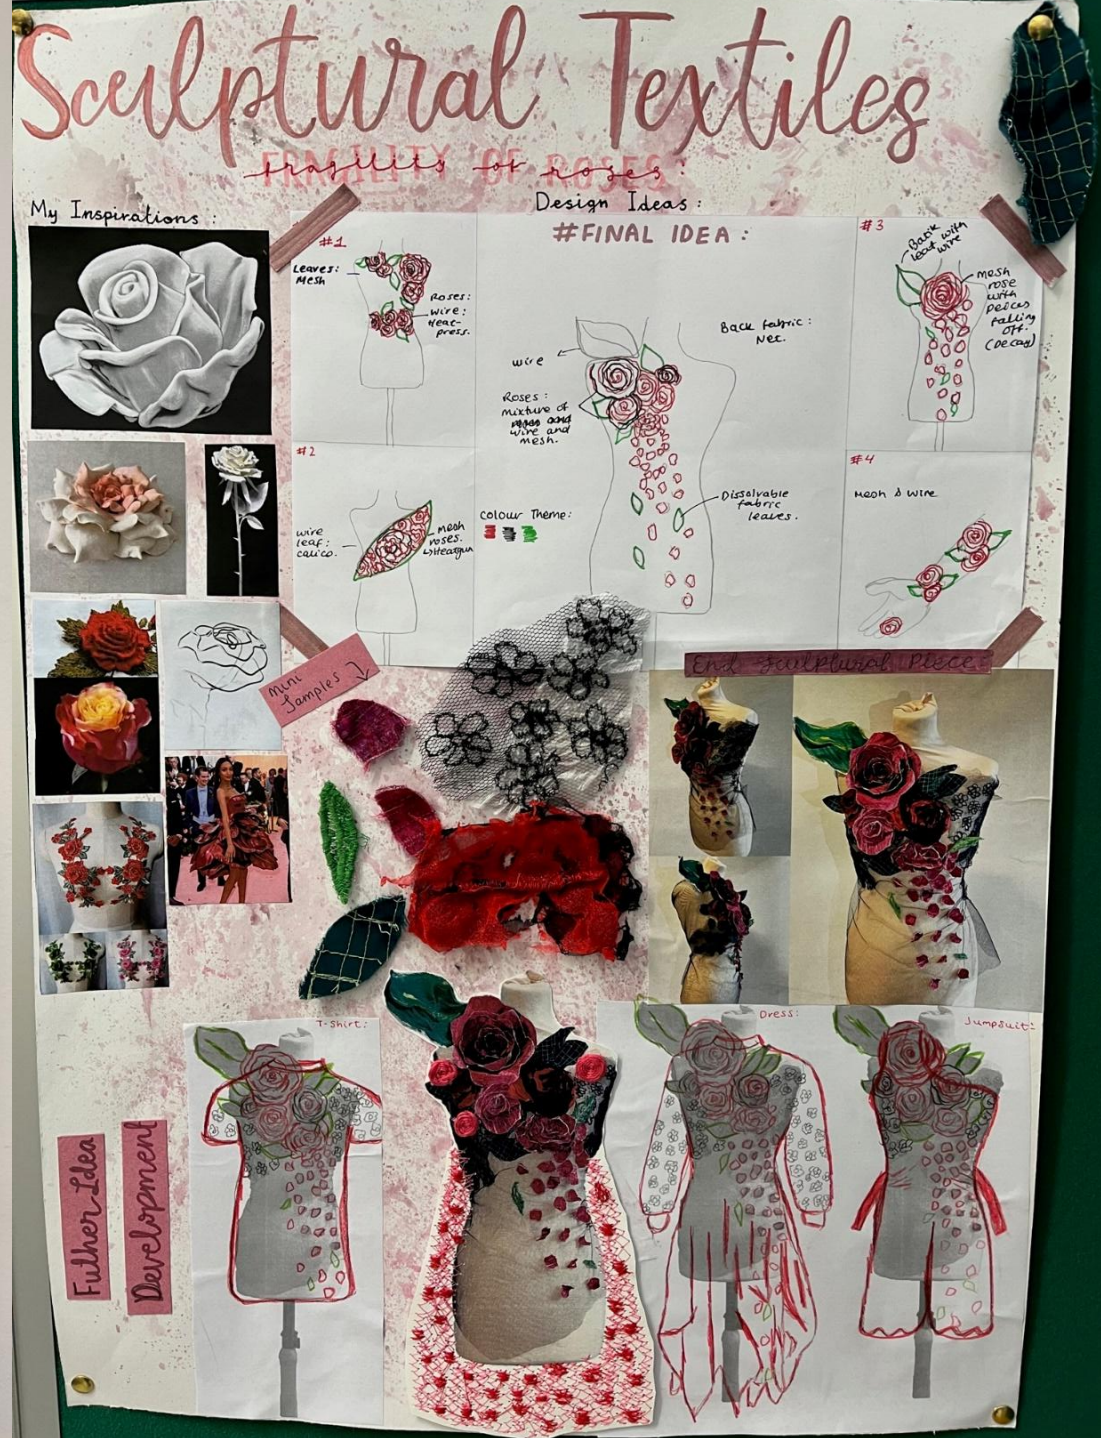

At bottom I would add sample to make it look like a jacket.

I am very pleased with the outcome as I think it is a good one. I think it is a good one. I think it is a good one.
