Dear Parent/Carer,

RE: Information about Pre Public Exams (PPE I)

Year 11 has made a very productive start to this important year. They are now preparing for their first set of Pre Public Exams (PPE I) which will take place from Monday 7th November to Friday 18th November.

To support revision, a series of targeted interventions are taking place at school during half term. If your child is expected to attend a session, you will receive a message from Mr Varvias with full details.

This week, students will spend form time engaged in revision activities to further support their preparations for these exams. These strategies and many other revision and wellbeing resources, including subject revision plans, can be found in the Year 11 VIP Zone. Please ensure your child is using these to fully engage in meaningful revision for the forthcoming exams.

To further support your child at this critical time please take a look at the [assessment and exams information](#) and [supporting your child](#) guides on the school website. Here you will find the PPEI exam timetable along with advice and guidance for both parents and students to support productive revision and excellent outcomes.

Yours sincerely,

Mrs P. Rufo
Deputy Headteacher
