

12th May 2023

Dear Parent/Carer,

From Monday 15th May we enter our first full week of written GCSE examinations for Year 11. To support students with final exam preparations we have organised Pre Exam Revision which runs alongside students' usual timetables. This will be published weekly and can be found [here](#).

When students are not in pre exam revision they must continue to follow their usual timetable. **This is extremely important if students are to achieve the highest grades possible as teachers are focussing on exam questions, model answers and top tips for exam success.**

At home, please ensure your child is engaged in active revision; for example they should be completing exam papers and using mark schemes to improve their work rather than just reading notes. For support, all students can access the Year 11 VIP Zone for revision plans, revision strategies, exam papers and wellbeing guides.

Throughout the exam period we are also providing free breakfast in the canteen from 8.00a.m. Please emphasise the importance of breakfast and encourage your child to arrive early for this. Please also ensure your child brings water in a clear bottle, with the label removed, and that equipment and uniform are checked daily.

On behalf of the Year 11 tutor team, subject teachers and pastoral team, I would like to take this opportunity to congratulate Year 11 for embracing our 4 R's; Ready, Respectful, Responsible and Resilient, throughout their journey at Alperton Community School and to wish them the best of luck in their exams.

Thank you for your continued support.

Yours Sincerely,

Ms P. Rufo
Deputy Headteacher
